PUBLIC INPUT MEETING

Ms. Katie Coulborn,

Our meeting went very well. We had six homeowners attend. One refused to sign in. She is the only one that was negative, although she had no specific complaints. She was negative on everything but could not specify any direct complaints. Every one else in attendance was very agreeable to what we were planning to do. We had a complete set of plans for them to look at, as well as a list of variances that we were considering. There were no objections to any of the variances.

I hope this will serve beneficial for your records.

I have included the sign in sheet that we had for your records also.

If you need any additional information please let me know.

Thank you,

Mike Mullinax
